

Dear friends

Two announcements and one request for advise from our ACS members:

(1) Request for advise by **Nili Portugali**, Architect A.A.Dip (London) Tel-Aviv

Nili asks any ACS member for pointers toward possible foundations / Fund resources/ Partners that will allow her to complete a valuable film on Timeless Architecture. Please send your answers directly to her nili_p@netvision.net.il

(2) Announcement #1 by **Ben Heimsath** (principal of Heimsath Architects)

Ben shares with us his recently published article on 'thin places' in the Austin American Statesman (on April 12). He is a contributor to the regular column they run on faith issues. Here's a link to the entire article on the I-Act site - though under a slightly different title.
