

Dear ACS members,

The **ACS Forum Linked-In Group** is Now Open!

The ACS Forum has created a professional group on Linked-In and encourages all ACS members to take part in it.

The group will allow articles and other posts to be shared, announcements to be made, and social media to be enjoyed among the membership. However, you must be on Linked-In to join this group, so if you have not opened a Linked-In account please do so (it is free). To look at the ACS Linked-In Group and to join, please visit the group at this link: <http://linkd.in/1sHWNFR>

The ACS Executive Committee would like to recognize ACS members David Pereyra, Daniel Garnier and Michael Crosbie for setting up the LinkedIn extension of the Forum for Architecture, Culture and Spirituality (and for moderating it).

Cheers!

The ACS Executive Committee
